

School-Level ELA Proficiency: White vs. Black and White vs. Hispanic
New York — NYS 3-8 Tests (Levels 3-4), 2022-23 to 2024-25

Note: Each point is one school. Proficiency is pooled across grades 3–8 and years (weighted by tested counts where the state publishes them). A school appears in a panel only if both rates are non-suppressed under the state's masking rules. Dashed line = parity. Proficiency levels are NOT comparable across states.
